### Cornell Not Elected.

Relative to a story published yesterday to the effect that Anson Cornell, captain of the University of Oregon football and baseball teams, had been elected to coach the athletic teams of the high school next year, Chairman J. V. Tallman of the school board last evening denied that any such election had taken place. He stated, as announced some time ago, that the board and the committee in charge of the Junior Commercial Club are considering an arrangement whereby young Cornell may come to Pendleton but declared nothing definite had been done and that Cornell's application has not yet been received.

### Christians Win Game.

In one of the best and fastest games ever played in the Twilight League, the Christian Church last night defeated the fast Methodists by the score of 3 to 1. The result was rather a surprise to both teams owing to the fact that the winners suffered a bad defeat in their last game. Milne and Friedley worked for the winners and B. Ulrich and Hargett for the losers. Milne was at his best, striking out 8 and allowing but 4 hits while 5 hits were garnered from the offerings of Ulrich. But four innings were played due to lateness in starting. All the teams are now tied with a percentage of .500, each having won and lost one game each.

McNary and D. D. Phelps. George H. Eddy the local professional, will accompany the team and will probably meet other professionals in a match.

Just what style of play will be at the tournament the local golfers have not yet learned.

under the direction of Mrs. Adah Losh Rose constituted an unusual and pleasing program at the Alta theater last evening. The performance drew a good house and in the afternoon a matinee was given, the program being from "Madam Butterfly" with Mrs. Rose in the leading part.

Last evening's program comprised selections from four plays. In "The Taming of the Shrew" the characters were Walter Rose, "Porthlechie"; Mrs. Rose, "Katharina"; R. B. Snyder, "Baptista." A scene from "Romeo and Juliet" was given by Nadyne Blakely as "Juliet" and Walter Rose as "Friar."

A very pretty feature of the program was a scene from act 2 of "Midsummer Night's Dream." As "Queen Titania" Miss Mayree Snyder pleased as a vocalist and the dancing numbers elicited much applause. The characters in this scene were Evelyn Kimman, "Oberon"; Daphne Belts, "Puck"; Lois Swaggart, "Fairy"; Jean Reber, "Peachblossom"; Hester Proctor, "Moth"; Thelma Thompson, "Cobweb"; Archibald Blakely, "Mustard Seed"; Georgianna Fletcher, Esther Shea and Jennie Murphy as fairies.

The closing feature of the entertainment comprised selections from "Anthony and Cleopatra," Mrs. Rose as "Cleopatra," Mrs. Ideman as "Charman," Mrs. Hagar as "Irean," Walter Rose as "Slave," Wesley Hassell, as

"Dolabella" and Zoe Carney as "Clown." The entertainment last evening was in the nature of a tercentenary celebration of Shakespeare's birth and the success of the affair has brought forth many compliments for Mrs. Rose, her pupils and others assisting.
